قمة عُمان للذكاء الاصطناعي  
OMAN AI SUMMIT  
Muscat | 2024

Accelerating **Investments** towards the  
National Vision with Intelligent **Innovation**

29<sup>th</sup> & 30<sup>th</sup> January, 2024  
Grand Millennium Muscat

Organized By  
**Tazeezai**

# Dear Omanis,

As we realize the importance of the small and medium enterprises sector and the entrepreneurial sector, especially projects that are based on innovation, artificial intelligence and advanced technologies, training young people and enabling them to take advantage of the opportunities offered by this vital sector, to Be a basic building block in the national economy system, our government will work to follow up progress in this field. We will give all attention, care and support to the development of a comprehensive national framework for employment, as it is a basic pillar of the national economy, which requires continued improvement of its environment in the public and private sectors, reviewing and developing employment systems in the government sector

**His Majesty Sultan Haitham bin Tarik, The Sultan of Oman**

# ORGANIZER'S NOTE

Oman AI Summit 2024 hosted on the **29th & 30th January 2024**, at Grand Millennium – Muscat organized and brought to you by Tazeez for Artificial Intelligence LLC – an Oman Based leader and is one of the emerging and promising Omani companies in the field of artificial intelligence to contribute to setting the Sultanate's strategy in the field of artificial intelligence and cloud technologies by providing innovative smart solutions that enable the future of artificial intelligence through global strategic partnerships.

Under The Patronage of: His Highness Dr Kamel Bin Fahd Al Saeed, Secretary-General of the General Secretariat of the Council of Ministers

In line with Oman Vision 2024 and endorsed by The Ministry of Transport, Communication and Information technology – Oman and the Telecom Regulation Authority, Oman AI Summit is the largest annual technology exhibition and gathering for all Industry professionals and experts in the Sultanate of Oman to discuss, innovate, and discover and accelerate investments, discover the latest applications, best practises and trends evolving in the space of Artificial Intelligence in the region and globally.

With local and global visitors and Exhibitors, Oman AI Summit is the largest exhibition in the Sultanate of Oman bringing together world-class AI Solution providers to meet and connect with Omani Enterprises, Government entities, MSME's , Educational Institutes, and all Industry sectors. The Summit will attract world renowned speakers sharing the sharpest thought leadership with though-provoking Industry Keynote presentations and Panel discussions. Hear directly from experts and high-level figures on the future of AI and it's current impact in The Sultanate of Oman.

We hope this gathering has brought together the best minds that share their expertise and knowledge for you to gain new insights, make new connections and stay updated with the latest trends in Technology and Artificial Intelligence. Enjoy the show, and we look forward to hosting you again for Oman AI Summit 2025.

# What Attendees Have To Say:

“

**His Excellency Engineer Salem bin Nasser Al-Awfi,  
Minister of Energy and Minerals:**

I congratulate the Organizers for hosting this event. This is a good start and we wish to see a bigger edition next year with more global and local participations

”

“

**His Excellency Sheikh Faisal Bin Abdullah Al-Rawas  
Chairman of the Board of Directors of the Oman  
Chamber of Commerce and Industry**

I am pleased to attend Oman AI Summit 2024, and had the pleasure to deliver the Opening Keynote Presentation representing Oman Chamber of Commerce and Industry as the Strategic Partner

”

“

**His Excellency Dr. Munther Bin Hilal Al Busaidi  
Vice President of the Vision 2040 Implementation  
Follow-up Unit**

We would like to thank the organizers of Oman AI Summit for the great and important event, accelerating the investments of AI in the Sultanate of Oman and achieving Oman Vision 2024.

”

“

**His Excellency Dr. Ali Al- Shidhani Undersecretary of  
the Ministry of Transport, Communications and  
Information Technology for Communications and  
Information Technology**

I'm happy to attend Oman AI Summit 2024. I contributed in the Opening Panel Discussion: The Role of Artificial Intelligence towards achieving the goals of Oman Vision 2040.

”

# What Attendees Have To Say:

“

**Hassan Fida Hussain Al-Lawati**  
**National Program Head – for Artificial Intelligence**  
**and Advanced Technologies at**  
**Ministry of Transport, Communications and**  
**Information Technology – Oman:**

I would like to thank Tazeez AI for organizing this event. Today Oman AI Summit is an important initiative in the ICT Industry. This Summit has focused specifically on the opportunities the Sultanate of Oman, and shed light to the potential Investment Opportunities from abroad. I had the pleasure sharing a keynote presentation on Oman's AI Agenda for the Sectors

”

“

**Ahmed Alghadani – Co-Founder and CEO of Byanat**

I recently had the honor of participating in a groundbreaking panel discussion at the Oman AI Summit, focusing on a theme close to my heart and mission at byanat: "Accelerating Investments towards the National Vision with Intelligent Innovation." This theme not only resonates with our goals at byanat but also aligns with the global push towards sustainable and intelligent technological development.

A huge thank you to the Oman AI Summit organizers for curating such a vital platform for dialogue and to my fellow panelists who brought diverse and enriching perspectives to our discussion on "Artificial Intelligence Legal Legislations, Regulations, and Policies." Engaging with leaders and thinkers from various sectors provided a multifaceted view of the challenges and opportunities that lie ahead.

”

“

**Ahmed Bin Hassan Al Haddabi**  
**Executive Manager – Strategy Planning Unit at**  
**TRA – Oman**

We're happy to take part in Oman AI Summit which is an important initiative for raising awareness on different strategies on Implementing and utilizing AI across different industry sectors to improve businesses, and also learning from industry experts with their use cases and much more. We would like to thank the sponsors, partners and Organizers for a great event.

”

# What Attendees Have To Say:

“

**Dr. Jassim Haji, President at Nasser AI Research and Development Centre – Bahrain**

We've had the pleasure for attending Oman AI Summit for the second time. We discussed important topics such as the development of Generative AI and their compliances in the neighboring countries

”

“

**Dr. Salim Al-Shuaili, Director, Artificial Intelligence and Advanced Technologies Projects Unit at Ministry of Transport, Communications and Information Technology**

Oman AI Summit 2024 was well executed at the same time AI has witnessed a peak in it's importance of implementation in all industry sectors towards business development whether in enterprises or on individual levels. We've enjoyed listening and exchanging thoughts and perspectives with International and local experts from the Industry. Some of the important topics discussed are “ Ethics of AI and Sustainable growth with AI

”

“

**Dr. Hamed Al Hinai, CEO of Knowledge Resources & Chairman of AI Muheet Institute**

I was Impressed with the participations at Oman AI Summit 2024. Apart from the expert speakers I got the chance to meet with many optimistic youth, and we hope for the Sultanate of Oman to be a hub for development and innovations

”

# What Attendees Have To Say:

“

## **Abdullah Al-Moshyqri Advocates and Legal Consultant**

We are happy today to take part in Oman AI Summit, which brought the spotlight to the revolution of AI globally, and which helps us achieve Oman Vision 2040. We as a Legal Partner for the event, want to bring awareness to the importance of ethics and compliance of technology and AI. We wish the organizers the best and to continue to support such initiatives to achieve our national vision

”

“

## **H.E. Eng Belal Al-Hafnawi, Technology and Digital Transformation Leader- Commissioner – TRC Jordan**

Thank you to the organizers for an event executed with Excellence

”

“

## **Abdulfattah AlTkamul Altigani Computers**

We would like to convey our warm regards to Tazeez Al for organizing such a wonderful and Important Event. The event was truly effective. We've got the chance to meet and connect with many new clients. We look forward to attending once again with new clients in the event in the future

”

“

## **Ghaya Al Barwani, Certified Executive Organizational Culture, Leadership and Team Coach & Certified Mentor Coach (ICF)**

I am super Impressed with Oman AI Summit 2024, From Speakers to Attendees to different sessions. I am completely blown away by this experience in these two days. I would like to extend my warmest gratitude

”

# What Attendees Have To Say:

“

## Rudy Shoushany – CEO of DX Talks

I had the pleasure of being a featured speaker at the Oman AI Summit held in the Sultanate of Oman last week. Engaging with professionals and enthusiasts immersed in the field of artificial intelligence (AI) across diverse domains was truly invigorating. During the summit, I was part of an interesting panel discussion centered around the theme of "Investing in Artificial Intelligence and its Impact on the Digital Economy and Sustainable Development." The experience was not only intellectually stimulating but also provided a platform for meaningful exchanges with like-minded individuals who share a passion for advancing the frontiers of AI.

”

“

## Andrew Forson, Head of Growth The Hashgraph Group

This event with the focus on AI in Oman has been an incomparable experience. We've had wonderful sets of discussion. It has been great networking at the event. We also had a great opportunity to discuss the Future of AI in this beautiful country

”

“

## Dr. Essam Hussain Al Lawati – Head of Innovation and Technology Transfer at University of Technology and Applied Sciences

I was delighted to participate as a speaker at the Oman AI Summit in the Sultanate of Oman on January 29–30, 2024. It was an opportunity to participate and meet people specialized in artificial intelligence (AI) from various disciplines. I shared my perspectives during the Panel Discussion: Investing in Artificial Intelligence and its Impact on the Digital Economy and Sustainable Development focused on several aspects of AI in education, innovation, entrepreneurship, and technology transfer

”

# What Attendees Have To Say:

“

**Faisal Chareuf – Managing Director – Sharef & Co**

Oman AI Summit was a landmark event, highlighting how Oman's government and private sector are actively harnessing AI's transformative power in reshaping how we work and design/deliver products and services in this new era. The summit highlighted the importance of investing in AI technology, infrastructure and skills to revolutionize industries ranging from utilities, energy healthcare, logistics, finance and more.

”

“

**Kadriye Ercikan – VP of Research – ETS**

I was honored to give a keynote at the Oman AI Summit on AI transforming education. I enjoyed sharing how our research is positioned to transform education and hearing about AI's impact on a variety of sectors including transportation, healthcare, planning among many others

“

**Mustafa Hazam, Founder & CEO of Grambell**

Oman AI Summit is one of the best conference and exhibitions I have attended in a long time. Quite Impressed with the attendees and speakers for the event.

”

”

# What Attendees Have To Say:

“

**Ahmed Qatan – IT Manager –  
Dhofar Municipality**

I was very happy to participate in the Oman AI Summit and the participation of a constellation of experts and specialists in this field

”

“

**Abhishek , Nagarro**

We have met different professionals across different entities, from Government and Private companies as well, learning about their growth map. The event had a great footfall.

”

“

**Joerg Bienert – Co-Founder and Chairman –  
German AI Association**

It's been a great experience and I'm impressed by all the presentations and panels. I think this is a great opportunity for Oman to get ahead and to use AI as a platform for future development.
